With the Zionist Jews controlling practically all the news outlets, you will seldom read or hear about the Negro leaders who are proud of their race and want to keep segregation of the races. Here are just a few and you can bet there are many more who are not being fooled by the NAACP!

Above are a group of distinguished Negro leaders who are **REALLY** concerned with the welfare and advancement of their race. These people are rarely heard of in the controlled press and they are despised by the Jewish controlled NAACP. Due to lack of space, the pictures of five other Negro leaders had to be left out.

They are proud of America and their race—and oppose desegregation in any form whatsoever. They believe the Negro was

created by God with a culture all of his own and should remain as such.

They are shocked and appalled at the harm and unrest the NAACP has brought to their people here in the U.S. as well as abroad.

These sterling Christian Negro leaders are well aware, as are most level headed Americans that the Negro is being **used** by the NAACP to confuse and divide our people and create strife and turmoil, and in the end mongrelize **BOTH** races!

The Southern people, Black and White, have lived in harmony all these years until Marxist agitators out of N.Y. upset the South in their program to condition our country for **Communism**.

Time and again it has been proven the

NAACP, with trouble in mind, has picked certain Southern schools as their opening target for agitation and had hand-picked "students" enroll at the opening classes knowing full well the trouble that would result.

To create trouble between races is one of the oldest communist tricks in the book. The NAACP which is supposedly organized to **HELP** the Negro has been dutifully following the Reds to the letter!

Only the whole-hearted support of the type Christian Negro leaders such as are pictured here can bring back the harmony and respect of White for Negro and Negro for White. To be proud of your race is not a crime—to mongrelize what the good Lord created most certainly **IS!**

Force The Races To Mix At Any Cost - NAACP'S Goal

In considering the problem of race segregation, it must be approached from the standpoint of the greatest good both to Negro and White. Sentimentality or prejudice cannot properly enter into the merits of segregation.

The only logical method to determine the best situation is to depend on well authenticated facts as to results when conditions have been in effect long enough to have produced a definite pattern.

Free, indiscriminate, intermingling of the races is the NAACP's goal. It is a sinister plot by the Marxist masterminds out of New York and Washington, D.C., to weaken and degenerate the entire White race.

The Negro should be proud of his **OWN** heritage and **NOT** let the Jewish controlled NAACP force him into seeking the unnatural association of the whites!

If our Creator intended only one race, a mulatto race, he would have so created it in the beginning and **NOT** expected the NAACP to finish His work for Him. Our Lord gave each race its own character, individuality and charm. It is obvious He intended they should remain so. The Jewish organizations and the NAACP intend to change the wishes of our Creator.

If the Communist policy of conquest by absorption can be fulfilled through racial intimacy and the inevitable intermarriage of Whites and Blacks, then this evil Marxist philosophy will prove the downfall, if not the actual disappearance of the entire White Race !!

The North, like the South is not without its share of the segregation problem in its schools as well as its public housing projects.

In the latter part of 1957, deep in Brooklyn's Bedford-Stuyvesant area, which has a predominantly Negro population, public school 258 incurred the wrath of

the Jewish controlled NAACP!

P.S. 258, a new junior high school with 1,500 Negro students and less than 5 or 6 white students was not integrated enough to suit the NAACP.

The white families, trying to protect their children had moved out of the neighborhood as fast as the Negro families had moved in, thus making the Bedford-Stuyvesant section all Negro. Disregarding this fact, the NAACP, always on the offensive when there is a chance to agitate, contended that if the school was "not good for whites it is not good enough for Negroes" and went into their usual tactics. They created such a disturbance and pressured the school board to such an extent that the Negro children are now being transported by bus several miles out of their way to schools in all-white districts at taxpayers expense! All this just to pacify the NAACP and forcefully integrate the races.

A great majority of New York schools are being **FORCEFULLY** integrated in this manner. The white students are being transported or "reassigned" to previously all-Negro school districts, despite their parents disapproval!

As a direct result of this NAACP inspired **FORCED** integration the teaching standards of New York schools have dropped far below par due to the loss of many qualified teachers quietly leaving the profession in disgust. Crime is rampant throughout the school corridors to such extent that school authorities cannot cope with it and many schools require police protection for its students as well as its faculty members.

The only safe alternative for many white families is to move out of the city and into the suburbs, or as a last resort, out of New York state itself! This very same pattern of forced integration is being enacted in

many large metropolitan areas throughout the North with the inevitable happening—the cities automatically become segregated.

In Washington, D.C. with the forced integration of previously all-white schools, the wholesale muggings, stabbings and rapings of decent girls has forced the white families to send their children to private schools across the line to Arlington, Va., where the NAACP is now agitating in the Courts for immediate integration of all Virginia schools. In our Capitol, Washington, the schools, after integration, are now 75% Negro.

Is This What You Want?

Here is the inevitable result of integration. The young child in school can come under the influence of the increasing crop of one-world minded teachers. Lenin's theory was to capture the young minds of the children at school, indoctrinate them, and parents would lose them forever. This is the same type of philosophy the Jewish controlled NAACP thrives on. The seating of a Negro child besides a White child in school is just the opening wedge!
